OCEANCOMM[®]

NINGBO OCEAN COMMUNICATIONS EQUIPMENT LIMITED

OCEANCOMM[®]

Ningbo Ocean Communications Equipment Limited is specialized in producing and trading fiber optic products over 15 years. We provide hundreds of fiber optic products in good quality at competitive prices, through our professional technical service and stable mixed orders so that our customers can get perfect purchase and make wise decision, so as to save their cost and time.

We follow strict quality control system, and we have ISO9001 certificates. Our products compliant with ER326, UL, RoHS, REACH. Our high-quality products and good services impress customers all over the world. And our customers are come from USA, France, Italy, Rusia, Indonesia, Malaysia, Korea, Australia, Switzerland, Brazil, etc.

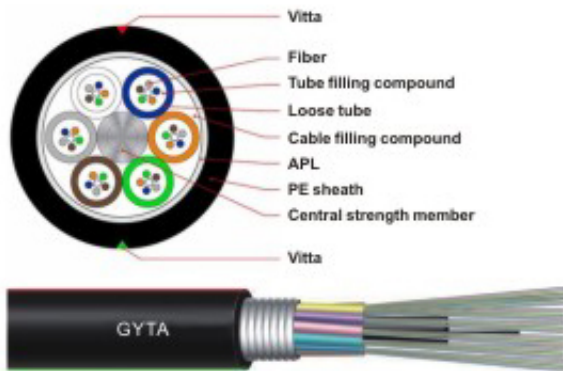

We own Injection molding machine , polishing machine, automatic lathe, punch and other equipments. So we also can provide OEM service, processing with supplied materials, processing with supplied drawing. making mould and producing service.
